**Re: COSMOS delegated claim reconsideration submission**

We recently received the following COSMOS claim and additional information that UnitedHealthcare forwarded to us. However, we believe the health plan is responsible for this claim. This is a reconsideration request asking you to review your decision that we are responsible for the claim. We're securely emailing this claim to [delegatedclaims\\_resolution@uhc.com](mailto:delegatedclaims_resolution@uhc.com) for review. Enclosed is a PDF copy of the claim we received. Thank you.
