A. Those Medicaid-only covered services will be reimbursed according to your existing Florida Medicaid contracted rates. At times, you may receive 2 provider remittance advices (PRAs) for services covered by both Medicare and Medicaid.

These members are not responsible for Medicare cost sharing under CMS regulations. Medicare cost sharing includes the deductibles, coinsurance and copays included as part of Medicare Advantage benefit plans.

Q. As a health care professional, do I need to be enrolled in Medicaid to receive the remaining reimbursement?

A. Yes. You are required to enroll or register with the state Medicaid plan to support state requirements when providing services to eligible members enrolled in a fully integrated dual-eligible plan that covers all Medicare and state Medicaid benefits. If you decide not to enroll or re-enroll with the state Medicaid program, you will no longer be eligible to participate in this program.
