

# Statewide Medicaid Managed Care

## Quick reference guide

This quick reference guide provides a list of the departments at UnitedHealthcare that may assist with coordination and authorization of services that a member may need as well as contact details for teams who may assist with unresolved issues requiring escalation. UnitedHealthcare provides services in Regions 3, 4, 6 and 11, and provides services for comprehensive long-term care (LTC). For more information, contact UnitedHealthcare at **877-842-3210** or visit us at [UHCprovider.com/FLcommunityplan](https://UHCprovider.com/FLcommunityplan).

\*After the IVR message, speak the name of the desired department when prompted. Although it is not required, an NPI and a member ID number will help ensure the calls are routed appropriately.
