

Claim Submission

A Simple, Free Way to Submit

# UnitedHealthcare Claims

Use **Claim Submission** on Link to enter claims electronically using the same information as the CMS-1500 paper form. This tool is ideal for small practices that don't work with an electronic data interchange (EDI) clearinghouse.

## With Claim Submission, you can:

- ✓ Submit professional claims, including National Drug Code (NDC) claims, for all UnitedHealthcare plan members
- ✓ Easily see which fields are required; the highlighted fields will update based on the information you enter
- ✓ View on-screen messages that allow you to correct certain errors before you hit submit
- ✓ Reduce paper, eliminate postage and mail time

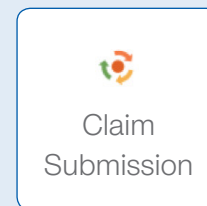

## Quickly See Whether Your Claim Was Accepted or Rejected

It's easy to check the status of your claim submissions. For more information, go to [UHCprovider.com/claims](https://UHCprovider.com/claims) > **Submit a Claim** > **Claim Submission Quick Reference**.

Please be sure to check for rejected claims and resubmit them within your timely filing limit.
