

This allows you to search for claims submitted by a specific physician, hospital or other health care professional.

Getting Started

1. From UHCprovider.com, click **Link** and **Sign In** using your Optum ID and Password

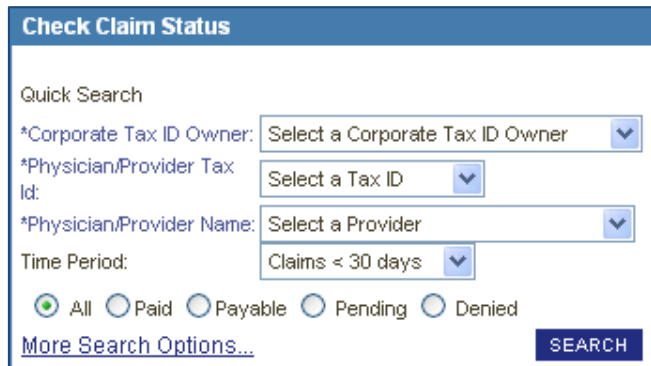

2. Select **UnitedHealthcare OneNet PPO Pricing**

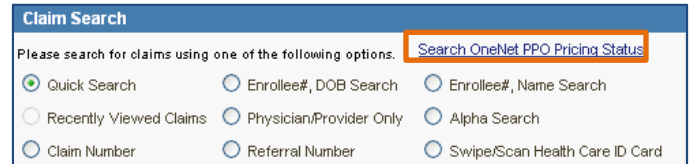

Search OneNet PPO Pricing Status

1. Select **More Search Options** from the **Check Claim Status** area.

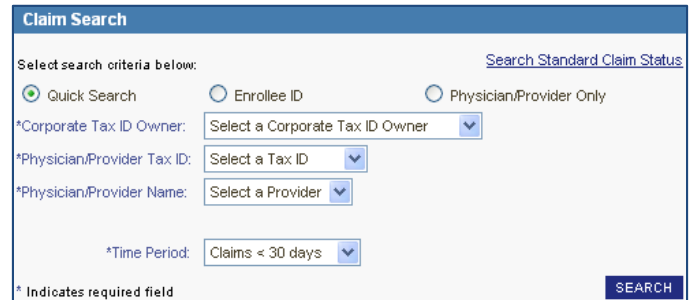

Search OneNet PPO Pricing Status (continued)

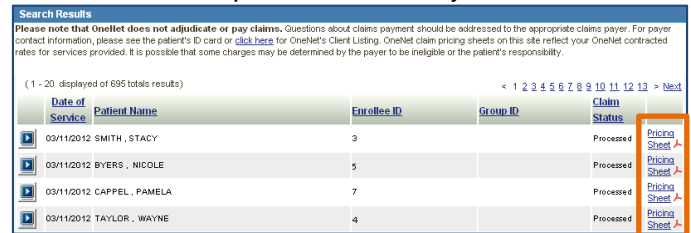

2. Select **Search OneNet PPO Pricing Status** from Claim Search screen.

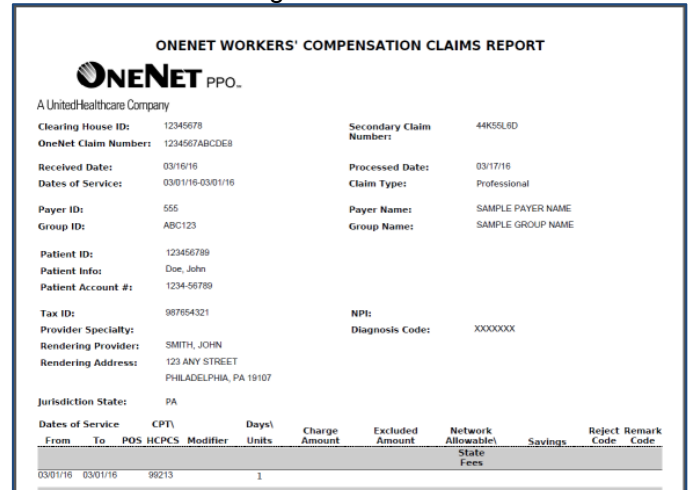

3. Choose a search option and complete the required information then click the **Search** button.

4. Search results will appear. Click on a **Pricing Sheet** to view the respective Claims Payment Advice.

5. Review the Pricing Sheet

Additional **Help Resources** are available at the **Link Resource Library** and **UHC on Air**
