

Medicaid: EVV system payment increase

You may qualify for a differential adjusted payment (DAP) increase of 1% if you log at least 1 verified visit in the Electronic Visit Verification (EVV) system for at least 80% of your patients from Jan. 1, 2021, to March 31, 2022.

This applies to the following Arizona Health Care Cost Containment System (AHCCCS) provider types who qualify for EVV services under all Medicaid. A qualifying service must be provided by a qualifying provider type with a qualifying place of service (POS) to qualify for the DAP.

Place of service description	POS code
Home	12
Assisted living facility	13
Other	99

Provider description	Provider type
Attendant care agency	PT 40
Behavioral outpatient clinic	PT 77
Community service agency	PT A3
Fiscal intermediary	PT F1
Habilitation provider	PT 39
Home health agency	PT 23
Integrated clinic	PT 1C
Non-Medicare certified home health agency	PT 95
Private nurse	PT 46

Questions?

For more information regarding the DAP qualifications, the qualifying services and POS, please review page 40 of the AHCCCS [DAP Preliminary Notice](#).
