# Prior authorization requirements for developmentally disabled Arizona members 

Effective January 1, 2024

## General information

This list contains prior authorization requirements for health care professionals participating with the UnitedHealthcare Community Plan of Arizona Developmental Disabled Program providing inpatient and outpatient services.

Additional state variations and regulations may apply. To request prior authorization, please submit your request using one of the following:

- Online: Use the Prior Authorization and Notification tool on the UnitedHealthcare Provider Portal. To access the portal, go to UHCprovider.com and click Sign In in the top-right corner to sign in using your One Healthcare ID and password.
- By phone: Call 800-445-1638

## Please note

- To be eligible for prior authorization, services must be covered benefits as outlined and defined by the Arizona Health Care Cost Containment System (AHCCCS)
- Services provided by non-network health and out-of-state health care professionals require prior authorization and documentation supporting the out-of-network request
- Experimental and investigational services are not covered benefits
- All rendering health care professionals, facilities and vendors must be actively registered with AHCCCS
- Services delivered inside the multi-specialty interdisciplinary clinics (MSIC) to children's rehabilitative services (CRS)-designated/CRS formerly designated members do not require prior authorization
- Only 1 health care professional may request services on a prior authorization request form
- Only medically necessary, cost-effective, federally- and state-reimbursable services are covered services, as outlined by AHCCCS

| Procedures and <br> services | Additional information | CPT $^{\oplus}$ or HCPCS codes and/or <br> how to obtain prior authorization |
| :--- | :--- | :--- |
| Allergy <br> immunotherapy | For members younger than 21: <br> Allergy immunotherapy and allergy <br> testing is covered under Early and <br> Periodic Screening, Diagnostic and |  |
|  | Treatment (EPSDT) when <br> medically necessary. |  |
|  | For members 21 and older: <br> Allergy immunotherapy, including <br> desensitization treatments <br> administered by subcutaneous <br> injections (allergy shots), sublingual <br> immunotherapy (SLIT) or another <br> route of administration, is not a <br> covered benefit. |  |
