

# Prior Authorization Requirements for Colorado Rocky Mountain IFP

Effective Dec. 1, 2023

## General Information

This list contains prior authorization requirements for care providers for which UnitedHealthcare Rocky Mountain Health Plan (RMHP) IFP is the primary payor.

Services that are not a benefit of the Member's Evidence of Coverage will not be authorized.

This list changes periodically. Updates are announced routinely in the UnitedHealthcare [Network News](#). If viewing a printed copy, please visit [UHCprovider.com/priorauth](#) > [Advance Notification and Plan Requirement Resources](#) > Select a Plan Type for the most current information.

### To request prior authorization for services listed:

- RMHP providers submit requests and supporting documentation to RMHP: (web) [UHCprovider.com/priorauth](#) > [Advance Notification and Plan Requirement Resources](#) > Select a Plan Type for the most current information.
- Non-participating providers may fax request and documentation to 800-262-2567 or 970-255-5681
- eviCore healthcare: (web) [www.evicore.com](#) (phone) 800-792-8750
- For Behavioral Health Services (including mental, health and substance use disorders) call (phone) 888-282-8801
- Notification by the admitting facility: (phone) 800-416-2157, option 4 or 970-248-5197

Prior authorization is not required for emergency or urgent care. Out-of-network physicians, facilities and other health care providers must request prior authorization for all procedures and services, excluding emergent or urgent care.

Prior authorization is the process where health care providers seek approval before rendering a service, as required by UnitedHealthcare policy. It's required under the direction of the UnitedHealthcare Health Services Department and is an essential part of any managed care organization. Advance notification is a requirement of care providers to give UnitedHealthcare timely communication of services so we can do a prospective, concurrent, and retrospective care review.
