

Hoosier Care Connect: Earn incentives for wellness visits and closing gaps in care

As a provider with UnitedHealthcare Community Plan (UHCCP) of Indiana, you can earn incentives by helping us learn more about our members and completing wellness visits.

Ways to earn an incentive

- Ensure your patients have an annual adult or well-child visit. You can also earn an additional \$10 for closing annual visit care gaps for people of color.
 - Federally Qualified Health Centers and Rural Health Centers earn an additional \$100 when thresholds are met for annual visits
- Ensure adolescent patients are up to date on immunizations
- Complete and bill for a Social Drivers of Health (SDoH) assessment with SDoH Z codes from the results of the assessment
 - More information about Z codes can be found in our [Z Code Provider Guide](#)
- Complete [tobacco cessation counseling](#) with your patients who use tobacco products

Please refer to your UHCCP of Indiana contract for full details about these incentives.

Questions? We're here to help.
