

Prior Authorization Requirements for Indiana Hoosier Care Connect

Effective June 1, 2021

General Information

This list contains prior authorization requirements for UnitedHealthcare Community Plan in Indiana health care professionals for inpatient and outpatient services. To request prior authorization, please submit your request online, or by phone

- **Online:** Use the Prior Authorization and Notification tool on Link. Go to **UHCprovider.com** and click on the Link button in the top right corner. Then, select the Prior Authorization and Notification tile on your Link dashboard.
- **Phone:** 877-610-9785

Prior authorization is not required for emergency or urgent care. Out-of-network physicians, facilities and other health care professionals must request prior authorization for all procedures and services, excluding emergent or urgent care.

Prior authorization: Requesting approval before rendering a service, as required by UnitedHealthcare policy. It's required under the direction of the UnitedHealthcare Health Services Department and is an essential part of any managed care organization. Advance notification is required to give UnitedHealthcare timely communication of services so we can do a prospective, concurrent and retrospective care review.
