

## Technical Assistance with Health Information Technology Free for Medicaid Providers

KFMC and KDHE’s Division of Health Care Finance (KDHE/DHCF) are working together to assist Medicaid healthcare providers with health information technology.

### Services offered include:

- EHR Selection and Implementation assistance
- Meaningful Use assistance
- Privacy and Security Risk Assessment and Mitigation
- Process Analysis and Redesign
- Health IT support

### You are eligible for free services if the following statements are true.

1. I am contracted with at least one of the three managed care organizations (United Healthcare, Sunflower, Amerigroup) as a Medicaid provider **OR** I have a Kansas Medical Assistance Program (KMAP) Fee-for-Service number.
2. I am a physician (MD, DO), nurse practitioner, nurse midwife, or dentist.
3. I am NOT hospital-based. An eligible professional is considered hospital-based if 90% or more of his or her services are performed in a hospital inpatient or emergency room setting (Place of Service codes 21 or 23).

**If these statements are true for you**, please reply with the following information. We will contact you with further details.
