

**We're Delaying the Updated Speech Therapy Prior Authorization Requirements Medical Necessity Reviews for Louisiana**

The August 2019 *Network Bulletin* and a mailing to care providers announced that prior authorization requirements would be updated to include a medical necessity review for speech therapy services for UnitedHealthcare Community Plan of Louisiana members starting Sept. 1, 2019. However, after careful consideration, we've decided to delay the reviews until further notice.

**Why We Made the Change**

We listened to your feedback and understand that it takes time to get ready for these changes.
