

Provider resources

UnitedHealthcare has identified information from a consensus of field professionals to help health care professionals meet the needs of our members. The following table lists topics and applicable websites where information can be found.

We respect the expertise of physicians and other health care professionals who participate in our network and appreciate our work together. This collaboration helps us promote wellness, improve health care outcomes and lower overall costs to provide our members with an exceptional patient experience.

Topic	Guideline title	Organization
Abuse, Neglect and Exploitation	nia.nih.gov > Health Information > Elder Abuse	National Institute on Aging
Appropriate Nursing Facility Institutionalization	medicaid.gov > Long-Term Services & Supports > Institutional Long-Term Care > Nursing Facilities	Medicaid

All of these hyperlinks are to external websites. UnitedHealthcare has no control over these websites and is not responsible if the websites are not functioning.
