

Provider manual updates

UnitedHealthcare Community Plan of Nebraska

Effective Jan. 1, 2023, UnitedHealthcare Community Plan of Nebraska updated the [NE provider manual](#) for 2023.

Changes include:

- Benefits summary for continuous glucose monitoring (CGM) devices and diabetic supplies
- Vision benefits summary coverage for frequency of exams, frames and lenses
- New hyperlinks and phone numbers
- New wording “care management” to “case management”
- Additional Early, Periodic Screening, Diagnosis and Treatment Prevention (EPSDT), CPT® and referral codes
