

# 3rd Quarter 2020 Preferred Drug List Update

## UnitedHealthcare Community Plan of Nebraska

UnitedHealthcare Community Plan's Preferred Drug List (PDL) is updated quarterly by our Pharmacy and Therapeutics Committee. Please review the changes and update your references as necessary.

You may also view the changes at [UHCprovider.com/plans](https://UHCprovider.com/plans) > Choose Your State > Medicaid (Community Plan) > Pharmacy Resources and Physician Administered Drugs.

We provided a list of available alternatives to UnitedHealthcare Community Plan members whose current treatment includes a medication removed from the PDL. Please provide affected members with a prescription for a preferred alternative in one of the following ways:

- Call or fax the pharmacy.
- Use e-Script.
- Write a new prescription and give it directly to the member (where permitted by state regulations).

If a preferred alternative is not appropriate, please call **800-310-6826** for prior authorization for the UnitedHealthcare Community Plan member to remain on their current medication.

### Changes will be effective July 1, 2020.

#### PDL Additions

Brand Name	Generic Name	Comments
Nayzilam®	Midazolam nasal spray	Indicated for the acute treatment of intermittent, stereotypic episodes of frequent seizure activity that are distinct from a patient's usual seizure pattern in patients with epilepsy. Prior authorization required.
