

2021 UnitedHealthcare Community Plan Physician Satisfaction Survey

Your thoughts, our actions

We want to hear from you. Please tell us about your experience working with us by taking our annual Physician Satisfaction Survey.

The Physician Satisfaction Survey helps us identify opportunities to enhance our services and meet your practice's needs.

We'll send the survey by mail and email in late September to a random sampling of physicians. It will take about 5-8 minutes to complete.

If you receive the survey, please complete it by Nov. 16, 2021.

We appreciate your time and the care you provide to our members. If you have questions, please contact your Provider Advocate or Network Management contact.
