

2020 Quality Rewards Program

UnitedHealthcare Community Plan of Pennsylvania

Quality Rewards Program Overview

We created the Quality Rewards Program to:

- **Recognize care providers** for offering quality service to UnitedHealthcare Community Plan members
- **Help our plan members get the right care, at the right time** and the right place
- **Reward excellence with cash incentives***
- **Address member care opportunities** based on Healthcare Effectiveness Data and Information Set (HEDIS®) measures tied to access to care, doctor/patient communication, children's health and diabetes monitoring/treatment
- **Help improve access** for our plan members by rewarding care providers for accepting new patients
- **Help reduce hospitalizations and emergency room visits**

The Quality Rewards Program is available to eligible:

- Primary care providers (PCPs)
- Federally qualified health centers (FQHCs) with dental practices
- Accountable care organizations (ACOs)
- OB-GYN/nurse-midwife practices

The program has different requirements and benchmarks based on care provider and/or organization type.

**Incentive bonuses will be paid to in-network UnitedHealthcare Community Plan care providers who are in good standing as of Dec. 31, 2020.*

Care Opportunity Closure Incentives

Care providers can earn additional incentives for addressing the following care opportunities based on the claim data or medical record documentation we receive.

- **Annual Dental Visit** – \$15 per plan member
- **Postpartum Care** – \$50 per plan member
- **Well-Child Visits (3–6 years)** – \$25 per plan member
- **Leading Screening for Children** – \$25 per chart received
- **Comprehensive Diabetes Care – HbA1c Poor Control > 9%**
 - For any lab result we receive, you get \$25. If that result is 9% or less, you get an additional \$25 for a total of \$50. When initial lab result received is 9.1% or higher and the member is retested and we receive that lab result from the care provider, another \$25 will be awarded.

In mid-2020, we'll send you a list of members who may need these care opportunities addressed. We'll make payments quarterly once you submit appropriate documentation showing members' care opportunities are closed.

Incentive Payment Schedule

PCP Incentive

- We'll send the incentive payment(s) for meeting quality benchmarks during a calendar year by the second quarter of the following year.
 - For example, we'll send payments for reaching quality benchmarks in 2020 by the second quarter of 2021.
- We'll send the payments for care opportunity closures periodically during a calendar year based on the timing of our care opportunity list mailings.

OB-GYN/Nurse-Midwife Incentive

- We'll send the incentive payment(s) for paper and electronic OB Assessment Forms quarterly, within 120 days from the end of a quarter.
- We'll pay all other incentives semi-annually by Dec. 31, 2020, and June 30, 2021.

Note: The Quality Rewards Program runs by calendar year and is funded by the Pennsylvania Department of Human Services. Financial bonuses under the program won't exceed 24.99% of the total potential annual payments made by UnitedHealthcare Community Plan for families to PCPs.

FQHCs with Dental Practices Quality Benchmark

Annual Dental Visit (Members Ages 2–20)

Eligibility: FQHCs with dental practices in their primary care offices.

To determine the ADV incentive amount for each eligible FQHC:

- We'll use data from Jan. 1 to Dec. 31, 2019, as a baseline for the number of ADVs for plan members ages 2 to 20.
- We'll compare the baseline result with the number of ADVs during the same time frame in 2020.

The minimum panel size is 150 UnitedHealthcare Community Plan members as of Dec. 31, 2020.

Incentive Opportunities

Opportunity 1: FQHCs that have a 5% improvement in their Annual Dental Visit (ADV)* rate will receive \$7,500 based on claim encounter data.

Opportunity 2: FQHCs will receive a \$5,000 bonus for reaching an ADV rate of at least 58% (50th percentile).

FQHCs will receive a \$10,000 bonus for reaching an ADV rate of at least 64% (75th percentile).

**FQHCs are eligible for improvement, HEDIS® percentile and PCP ADV care opportunity incentives.*

ACOs with Shared Savings Agreements Quality Benchmark

Reducing Potentially Preventable Readmissions

Eligibility: ACOs with shared savings agreements and high-volume care providers

We're offering this incentive to ACO care providers because they have access to our population registry.

Incentive Opportunities

ACOs will receive \$5,000 if a care provider has a 10% reduction in their hospital readmission rate from 2019 to 2020.

OB-GYN/Nurse-Midwife Practice Quality Benchmarks

Prenatal Care in the First Trimester

Eligible OB-GYNs/nurse-midwives are participating with UnitedHealthcare Community Plan as of Dec. 31, 2020.

Incentive Opportunities

Opportunity 1: Care providers will receive \$15 for each completed Obstetrical (OB) Needs Assessment Form sent within five days of a plan member's first OB visit.

Opportunity 2: Care providers can earn \$40* for forms sent electronically using the OB Cloud Application.

**The \$40 payment amount for electronic form submission is in place of the \$15 for paper submission. You can earn one incentive or the other for each plan member – not both.*

Postpartum Care

Eligible OB-GYNs/nurse-midwives:

- Have at least 20 patients who are UnitedHealthcare Community Plan members and assigned to their TIN or are seen by the practice
- Are participating with UnitedHealthcare Community Plan as of Dec. 31, 2020

Incentive Opportunities

Opportunity 1: Care providers will receive \$75 per OB patient when the 50th percentile (64%) of plan members reach the measure goal.

Opportunity 2: Care providers will receive \$150 per OB patient when the 75th percentile (69%) of plan members reach the measure goal.

Preferred Provider Overview

Care providers can earn Preferred Provider status by meeting eight of the 11 requirements. The minimum panel size is 250 UnitedHealthcare Community Plan members.
