

Quality reward programs

UnitedHealthcare Community Plan of Pennsylvania

UnitedHealthcare Community Plan of Pennsylvania congratulates the following exceptional care providers for meeting or exceeding our 2019 Preferred Provider quality of care, effectiveness and member access standards.

Quality: Correlation of Healthcare Effectiveness and Data Information Set (HEDIS®) measures to access to care, doctor-patient communication, preventive care visits and keeping members healthy.

Access: Availability of physicians to provide care to current members and receive new members.

Effectiveness: Improvement in reducing hospitalizations and emergency room visits, when appropriate.

Preferred Primary Care Providers

Thank you to the following participating providers for providing excellent care to UnitedHealthcare Community Plan members. These providers will have the Preferred Provider status effective Aug. 1, 2020, through July 31, 2021. Preferred Providers receive monetary incentives along with a waiver of certain administrative prior authorization requirements.
