

# UnitedHealthcare Community Plan of Pennsylvania Quality Rewards program

Each year, UnitedHealthcare Community Plan of Pennsylvania recognizes exceptional health care professionals for meeting or exceeding our Preferred Provider quality of care, effectiveness and member access standards. Each standard is defined as follows:

**Quality:** Correlation of HEDIS® measures with access to care, doctor-patient communication, preventive care visits and keeping members healthy

**Access:** Availability of physicians to provide care to current members and receive new members

**Effectiveness:** Improvement in reducing hospitalizations and emergency room visits, when appropriate

Thank you to the following participating health care professionals for providing excellent care to our members. They will have Preferred Provider status effective Aug. 1, 2023–July 31, 2024. Preferred Providers also receive monetary incentives along with a waiver of certain administrative prior authorization requirements.
