

Access BESMART quality reports in Document Vault

Access your quarterly quality reports online

Use **Document Vault** on the UnitedHealthcare Provider Portal to access and download your quarterly Buprenorphine Enhanced and Supportive Medication-Assisted Recovery and Treatment (BESMART) program reports.

These reports are only available to health care professionals who are:

- Participating in the UnitedHealthcare Community Plan of Tennessee
- Participating in the TennCare BESMART program

Getting your reports

- Sign in by clicking on the Sign in button in the top right corner of UHCprovider.com
- Depending on your account settings, you'll either see the UnitedHealthcare Provider Portal, or you'll see your Link dashboard after you sign in
 - In the UnitedHealthcare Provider Portal, elect Documents & Reporting from the global header
 - In the Link dashboard, select the Document Vault Electronic Letters & Reports tile
- In Document Vault, choose Documents from the top menu
- Under "Categories," choose the Management Documents folder
- Choose the TN Quarterly MAT Provider Report folder
- Reports are listed by quarter — choose the one you want to download and view
