Column Title	Column Description
<b>EVV Required/Optional?</b>	<p>EVV Optional services are services which are commonly delivered in situations similar to EVV required services. HHSC allows, but does not require, these services to be documented using the EVV system.</p> <p>Visits for EVV Optional services, if verified by the program provider, FMSA, or CDS employer are transmitted to the EVV Portal.</p> <p>Visits for EVV Optional services are subject to the same system requirements and edits as an EVV visit. EVV claims matching is not performed on claims for EVV Optional services.</p> <p>EVV claims matching is not performed on claims for EVV Optional services.</p> <p>Program providers, FMSAs, and CDS employers must follow Medicaid program requirements for documenting service delivery.</p> <p>Instructions:</p> <ul style="list-style-type: none"><li>- Required – The use of EVV is required for these services.</li><li>- Optional – The use of EVV is optional for these services. Service providers may use the EVV system to capture EVV visits for these services. EVV claim matching is not performed on claims for EVV Optional services.</li></ul>
<b>Healthcare Common Procedure Coding System (HCPCS)</b>	A collection of codes that represent procedures and services provided to individuals.
<b>Mod 1-4</b>	A modifier provides how the reporting physician or provider can indicate that a service or procedure has been altered by some specific circumstance but not changed in its definition or code. There can be up to 4 modifiers associated with a HCPCS code.
<b>Payer</b>	<p>The organization that processes the claim for payment or denial. Payers include:</p> <ol style="list-style-type: none"><li>1. The Texas Health and Human Services Commission (HHSC) - Claims are for EVV Acute Care services in Fee-for-Service (FFS) and processed by the Texas Medicaid &amp; Healthcare Partnership (TMHP) Compass21 system on behalf of HHSC.</li><li>2. Long-Term Care (LTC) - Organization that processes claims for LTC services in FFS.</li><li>3. Managed Care Organization (MCO) - Organization that processes claims for services in Managed Care. HHSC will provide a date when all EVV claims for Managed Care services must be submitted to TMHP for claims matching. Once the claims matching result is obtained, the claim will be forwarded to the MCO with whom the individual member is enrolled at the time of service delivery for final processing.</li></ol>
<b>Proc Code Qualifier</b>	Procedure code for the service.
<b>Procedure Effective Begin Date</b>	The date when the service billing code became available for use in the Texas Medicaid Program. The date corresponds to the service delivery date, not the claim submission date.
