New Look and Features for TMHP Website Available Sept. 14, 2020**

The Texas Medicaid & Healthcare Partnership (TMHP) website will have a new look and new features beginning September 14, 2020. Changes users may notice on the site are improved search functionality, easier access to common resources, easier website navigation, and compatibility with tablet and mobile devices for a better online experience.

Note: *The website home page address (www.tmhp.com) is not changing, but URLs to separate webpages on the site will change. Users who have saved these webpages will need to update their links on September 14, 2020.*

Links to secure portals, such as PA on the Portal or TexMedConnect, will remain the same. Navigation to these portals through the TMHP website will be available with new buttons.

For more information, call the TMHP Contact Center at 800-925-9126 or the TMHP-CSHCN Services Program Contact Center at 800-568-2413.
