

**An Important Message from  
The Texas Health and Human Services Commission (HHSC)  
Second Non-Emergency Medical Transportation (NEMT) Webinar**

A second webinar on the Texas Medical Transportation Program is scheduled for Texas Medicaid clients and providers. This will cover the same content as the first session.

The webinar will cover updates to the program that are effective June 1, 2021.

Webinar topics include:

- Overview of transportation to Medicaid services
- Goals of HB 1576
- Transportation program changes and member impacts

**HB 1576 Implementation of Non-Emergency Medical Transportation**

Wednesday, May 12

11 a.m. - 12 p.m.

Please use and share the link below with your patients to register for the webinar. Providers are also encouraged to attend.

[Register for the webinar](#)

If you are registered to attend the April 28th webinar please **do not** register again. There will be a recording of the April 28 webinar and more information on the [Medical Transportation webpage](#).
