

This action allows you to view and comment on a patient's Health Risk Assessment for which you are the servicing provider.

Getting Started

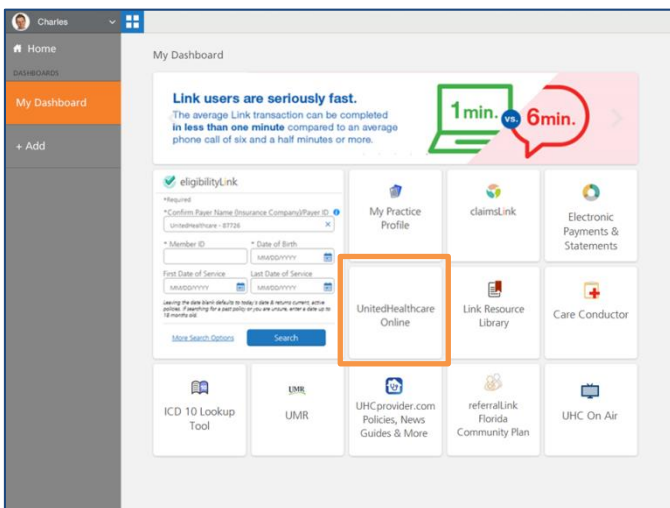

1. From UHCprovider.com, click **Link** and sign in

2. Enter your Optum ID and Password, then **Sign In**

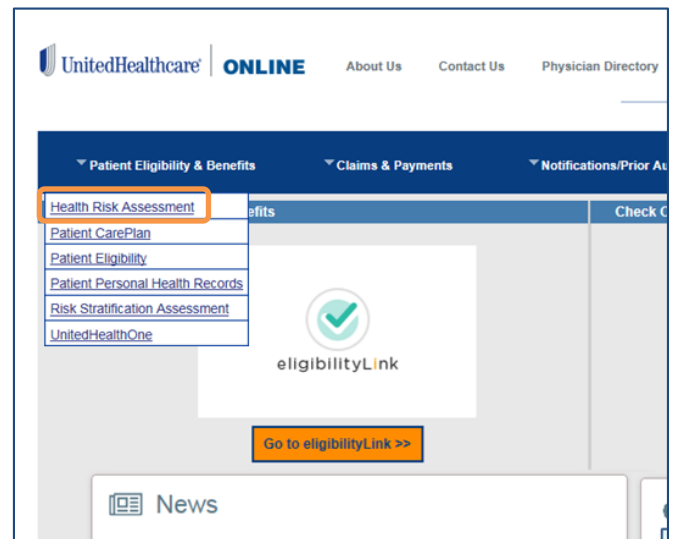

3. Select the UnitedHealthcare Online tile.

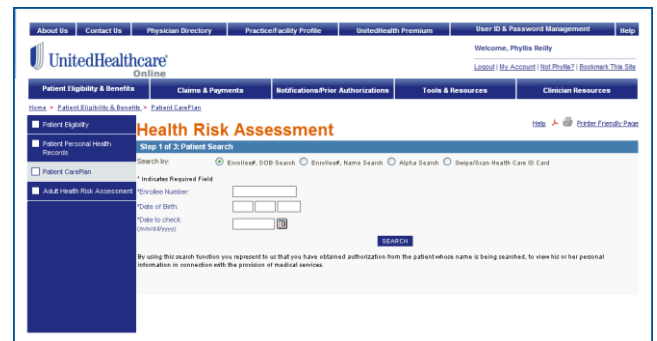

Health Risk Assessment via UnitedHealthcareOnline

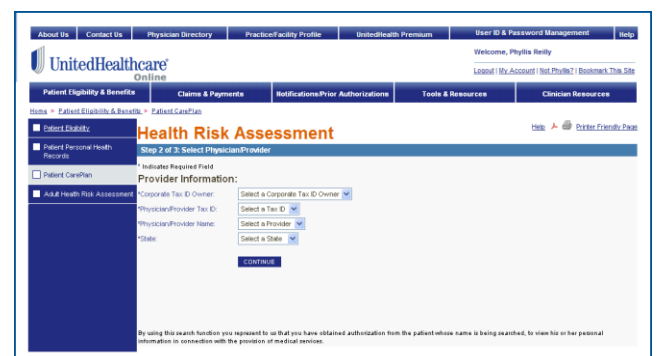

1. Select **Health Risk Assessment** from the Patient Eligibility & Benefits menu

2. Choose the Patient Search method, enter the information and click **SEARCH**

3. Complete the Provider information using the pull-down menus

Review the Health Risk Assessment

1. Review the details
2. You may add **New Comments** as desired, selecting either **Public** or **Private**
3. Click **SAVE**

The screenshot shows the UnitedHealthcare Online interface for a Health Risk Assessment. The top navigation bar includes links for About Us, Contact Us, Physician Directory, Practice/Facility Profile, UnitedHealth Premium, User ID & Password Management, and Help. The main header displays the UnitedHealthcare logo and the user's name, Phyllis Reilly, along with links for Login, My Account, and Help. Below the header is a navigation menu with tabs for Patient Eligibility & Benefits, Claims & Payments, Notifications/Prior Authorizations, Tools & Resources, and Clinician Resources. The main content area is titled "Health Risk Assessment" and shows patient information for DONALD, including Employee ID (000301301), Date of Birth (02/02/1955), Effective date (02/01/2011), and Termination date (12/01/2011). The assessment is dated 12/30/2011. The form contains several sections of questions with radio button options for Yes, No, or Not at all. The questions cover contact attempts, medical conditions, hospital stays, ER visits, and depression. At the bottom, there is a section for "Prior Comments" and a "New Comment" field with radio buttons for "Public" and "Private". The form concludes with "BACK TO SEARCH" and "SAVE CANCEL" buttons.

Additional **Help Resources** are available at
