

This feature allows you to view and comment on a patient's CarePlan for which you are the servicing provider.

### Getting Started

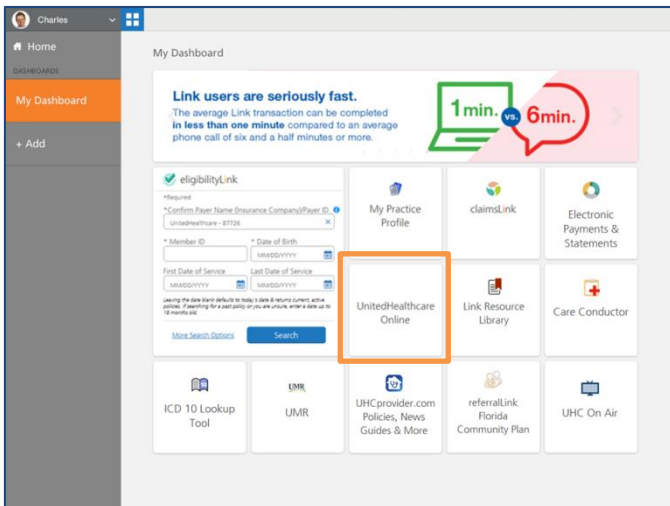

1. From [UHCprovider.com](http://UHCprovider.com), click **Link** and sign in

2. Enter your Optum ID and Password, then **Sign In**

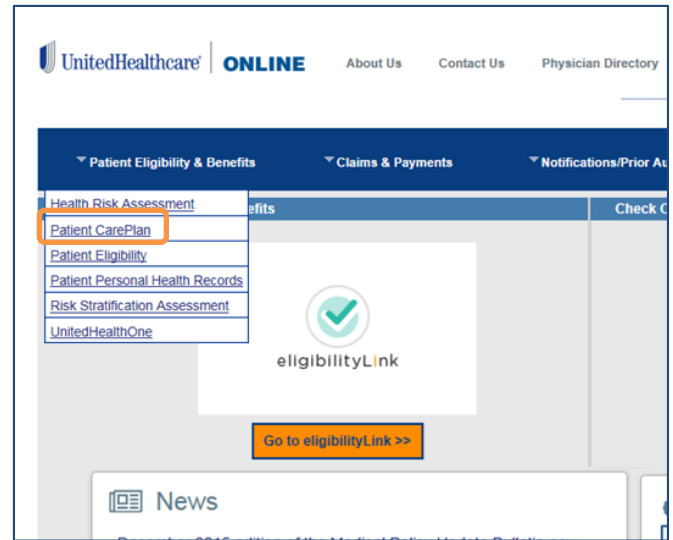

3. Select the UnitedHealthcare Online tile.

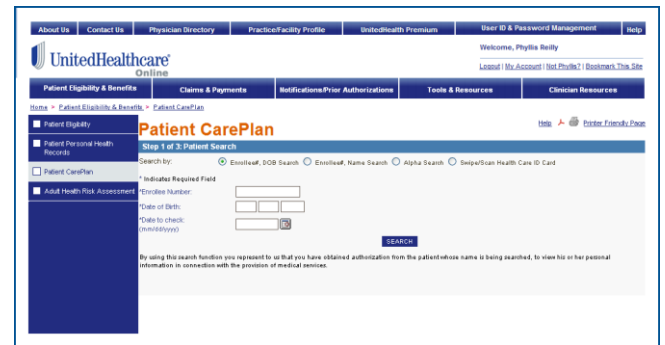

### Patient CarePlan via UnitedHealthcareOnline

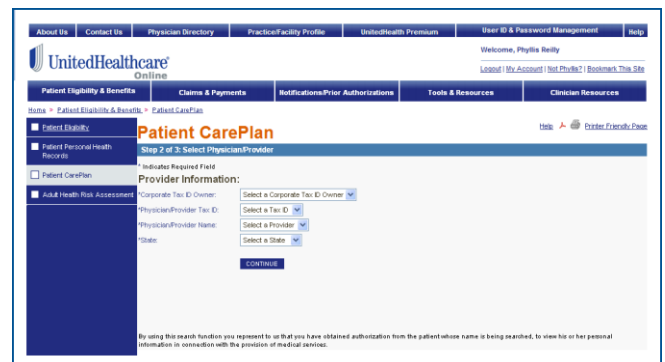

1. Select **Patient CarePlan** from the Patient Eligibility & Benefits menu

1. Choose the Patient Search method, enter the information and click **SEARCH**

2. Complete the Provider information using the pull-down menus

## Review the Patient CarePlan

### 1. Expand the link

The screenshot shows the UnitedHealthcare Patient CarePlan interface. The 'Problem' section is expanded, showing the following details:
