

Heritage Select Advantage Overview

UnitedHealthcare Select Advantage is an open-access, tiered benefit plan for our commercial members that allows them to get care from care providers who participate in the UnitedHealthcare Choice network without the need for a PCP referral to receive benefits from a specialist. This plan features three benefit levels that have different member cost share amounts depending upon the tiered status and participation status of the care provider.

Key Features	<ul style="list-style-type: none"> Referrals aren't required from the member's primary care provider for specialist care. Tier 1 lets members maximize their plan benefits at lower out-of-pocket costs for care. Members have out-of-network coverage but it may be at a higher out-of-pocket cost. Prior authorization and notification protocols and policies for UnitedHealthcare commercial plans apply.
