Care Provider Reimbursement

Q. How will I be reimbursed for the UnitedHealthcare Dual Complete® (HMO D-SNP) plan?

A. We will reimburse you according to your existing Medicare Advantage contracted rates. As the primary payer, we're responsible for the management and payment of the Medicare covered and supplemental services. Since these members are dually eligible for Medicare and Medi-Cal, they'll have Medi-Cal as their secondary payer in California. Care providers may not attempt to collect additional reimbursement from DSNP members whose Medi-Cal benefits cover all Medicare cost-sharing components. You will need to submit claims to the Medi-Cal plan for remaining reimbursements.

Q. As a care provider, do I need to be enrolled in Medicaid to receive the remaining reimbursement?

A. At a minimum, you're required to enroll or register with the Medi-Cal program for Medicare secondary cost share billing purposes. You can find instructions on enrolling in the Medi-Cal program at medi-cal.ca.gov so you can be eligible to be reimbursed for the remaining deductible, copayment or coinsurance amount. If you decide not to enroll or re-enroll with Medi-Cal, you'll give up your ability to seek the secondary payer.
