

Frequently Asked Questions

Care Provider Information | California UnitedHealthcare Dual Complete® (HMO D-SNP)

Effective Jan 1, 2021

UnitedHealthcare offers a Medicare Advantage plan in your area known as UnitedHealthcare Dual Complete® (HMO D-SNP), a Dual Special Needs Plan (D-SNP), for individuals who are eligible for both Medi-Cal and Medicare.

UnitedHealthcare Community Plan of California manages the Medicare Advantage benefits and reimburses you according to your existing contracted rates.

Eligibility and Benefits

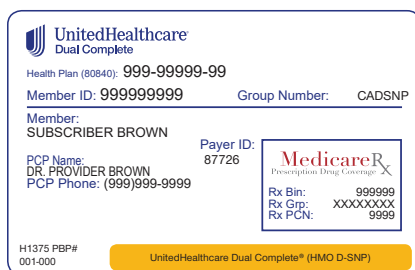

Q. Who is eligible to participate in the plan?

A. D-SNP-eligible members can include low-income seniors ages 65 and older and people with disabilities who are younger than age 65. Individuals must qualify for Medi-Cal and Medicare separately. While most qualify for Medicare once they reach 65, some younger adults with disabilities also qualify.

Q. How can I check member eligibility?

A. Always verify eligibility before providing services to a plan member. You can check member eligibility and benefits by:

- Eligibility and benefits on UHCprovider.com/eligibility
- Calling Provider Services at **800-933-4017** or the number on the member's ID card.
- Asking for health insurance cards at each visit including both primary and secondary cards (Medi-Cal).

We've included an example of the member ID cards to help you identify these members. All member information in the sample is fictional for sample purposes. Please always refer to the member's active ID card for current details.

Q. Are referrals required for the plan?

A. Referrals are normally not required if the member seeks in-network care. As part of the plan benefit design, members can decide who they wish to visit for their care. Please check eligibility and benefits prior to providing services.

Key Points

UnitedHealthcare Dual Complete® (HMO D-SNP) is a **Medicare Advantage** plan.

As of Jan. 1, 2021, the service area will include Alameda county.

Q. What are the member advantages of the plan?

A. Members can continue to access core Medicare benefits along with Part D (pharmacy) benefits and targeted clinical programs and services. Additionally, the plan offers supplemental benefits and services that are not typically available through original Medicare or Medi-Cal at no extra cost. These may include:

Dental

Up to \$500 for covered dental services such as certain cleanings and fillings

Telehealth Medical

\$0 copay for virtual medical visits

Prescription Drug Coverage

\$0 drug copays on all tiers of covered medications with option for home delivery

Telehealth Mental

\$0 copay virtual mental health visits

OTC Items - Catalog

Up to \$200 per year to buy over-the-counter products for home delivery

Nursing Hotline

24/7 phone access to a registered nurse

Each member now has a designated Care Navigator to help guide them through the various questions they may have concerning their health and benefits.

Q. How can a member enroll in a Dual Special Needs Plan?

A. Prospective members can explore their options by visiting UHCCommunityPlan.com/CA or speaking to a licensed sales agent. In addition to individuals enrolling during Annual Enrollment Period, October 15 – December 7, plan members may enroll, disenroll or switch plans once per calendar quarter during the first nine months of the year by following the Centers for Medicare & Medi-Cal Services (CMS) regulatory requirements.

Care Provider Reimbursement

Q. How will I be reimbursed for the plan?

A. We will reimburse you according to your existing Medicare Advantage contracted rates. As the primary payer, we're responsible for the management and payment of the Medicare covered and supplemental services. Since these members are dually eligible for Medicare and Medi-Cal, they'll have Medi-Cal as their secondary payer in California. Care providers may not attempt to collect additional reimbursement from DSNP members whose Medi-Cal benefits cover all Medicare cost-sharing components. You will need to submit claims to the Medi-Cal plan for remaining reimbursements.

Q. As a care provider, do I need to be enrolled in Medi-Cal to receive the remaining reimbursement?

A. At a minimum, you are required to enroll or register with the state Medi-Cal plan for Medicare secondary cost share billing purposes. Depending on the service and covered benefit level, many DSNP care providers will be required to submit a secondary claim to Medi-Cal if there is deductible, copayment or coinsurance amount that is the responsibility of the Medi-Cal payer to cover. This will depend on the member's Medi-Cal eligibility levels. This may require registering for a care provider Medi-Cal ID number for reimbursement. If you decide not to enroll or re-enroll with the state Medi-Cal program, you'll give up your ability to seek the secondary payer reimbursement for a dually eligible member.
