## Eligibility and benefits

### Q. Who is eligible to participate in the plan?

A. D-SNP eligible members can include low-income individuals ages 65 and older and people with disabilities who are younger than age 65. Individuals must qualify for TennCare? and Medicare separately. While most qualify for Medicare once they reach 65, some younger adults with disabilities also qualify.

### Q. How can I check member eligibility?

A. Always verify eligibility before providing services to a plan member.

You can check member eligibility and benefits by:

- Using the Eligibility and Benefits tools on the UnitedHealthcare Provider Portal. To sign in, go to **UHCprovider.com** and click on the “Sign In” button in the top right corner. Then, click on Eligibility. If you haven’t registered for the portal yet, go to **UHCprovider.com/newuser**. You can identify Partial members through the Eligibility and Benefits tools on the Provider Portal. Members classified as Partial will display as shown.
- Calling Provider Services at **1-800-690-1606** or the number on the member’s ID card

## Care provider reimbursement

**Q. How will I be reimbursed for the UnitedHealthcare Dual Complete® ONE (HMO-POS D-SNP) plan?**

- A. We will reimburse you according to your existing Medicare Advantage contracted rates, for eligible and covered services, up to the defined benefit value and process all necessary Medicare cost-share portions, payable by TennCare?, up to the Medicaid allowable reimbursement rates. In addition, we are also responsible for the management and payment of Tennessee Medicaid benefits. Those Medicaid-only covered services will be reimbursed according to your existing Tennessee Medicaid contracted rates. At times, you may receive 2 provider remittance advices (PRAs) for services covered by both Medicare and Medicaid.

Health care professionals may not attempt to collect additional reimbursement from D-SNP members whose TennCare? benefits cover all Medicare cost-sharing components. These members are not responsible for Medicare cost sharing under CMS regulations. Medicare cost sharing includes the deductibles, coinsurance and copays included as part of Medicare Advantage benefit plans.

**Q. As a health care professional, do I need to be enrolled in TennCare? to receive the remaining reimbursement?**

- A. Yes. You are required to enroll or register with the state TennCare? plan to support state requirements when providing services to eligible members enrolled in a fully integrated dual-eligible plan that covers all Medicare and state TennCare? benefits. If you decide not to enroll or re-enroll with the state TennCare? program, you will no longer be eligible to participate in this program.
