Effective Jan. 1, 2024

UnitedHealthcare offers a Medicare Advantage plan in your area known as UHC Dual Complete HI-S002 (Regional PPO D-SNP), a Dual Special Needs Plan (D-SNP), for individuals who are eligible for both QUEST Integration (Medicaid) and Medicare.

UHC Community Plan of Hawaii manages the Medicare Advantage benefits and reimburses you according to your existing contracted rates. This plan may also include benefits normally managed by QUEST Integration (Medicaid). This will have an impact on reimbursement for defined members and/or services. Please make sure to always validate eligibility and benefits before providing service.

## **Eligibility and benefits**

#### Q. Who is eligible to participate in the plan?

A. D-SNP eligible members can include low-income individuals ages 65 and older and people with disabilities who are younger than age 65. Individuals must qualify for QUEST Integration (Medicaid) and Medicare separately. While most qualify for Medicare once they reach 65, some younger adults with disabilities also qualify.

#### Q. How can I check member eligibility?

- **A.** Always verify eligibility before providing services to a plan member. You can check member eligibility and benefits by:
  - Using the Eligibility and Benefits tools on the UnitedHealthcare Provider Portal. To sign in, go to UHCprovider.com and click on the "Sign In" button in the top right corner. Then, click on Eligibility. If you haven't registered for the portal yet, go to UHCprovider.com/newuser. You can identify Partial members through the Eligibility and Benefits tools on the Provider Portal. Members classified as Partial will display as shown.
  - Calling Provider Services at 1-866-622-8054 or the number on the member's ID card
  - Asking for **all active** Health Insurance Cards at each visit including both primary and secondary **insurance** cards (QUEST Integration (Medicaid))

We've included an example of the member ID card to help you identify these members. Please always refer to the member's active ID card for current details.

#### Q. Are referrals required for the plan?

**A.** For HMO, HMO/POS, LPPO, RPPO (open access) plans, referrals are not required if the member seeks in-network care from a specialist. As part of the plan benefit design, members can decide who they wish to visit for their care. Please check eligibility and benefits before providing services.

#### Q. How can a member enroll in a Dual Special Needs Plan?

A. Prospective members can explore their options by visiting UHCCommunityPlan.com/HI or speaking to a licensed sales agent. In addition to individuals enrolling during the Annual Enrollment Period, Oct. 15–Dec. 7, plan members may enroll, disenroll or switch plans once per calendar quarter during the first 9 months of the year by following the Centers for Medicare & Medicaid Services (CMS) regulatory requirements.

#### Care provider reimbursement

- Q. How will I be reimbursed for the UHC Dual Complete HI-S002 (Regional PPO D-SNP) plan?
- A. We will reimburse you according to your existing Medicare Advantage contracted rates, for eligible and covered services, up to the defined benefit value. If required, we will process necessary Medicare cost-share portions, payable by QUEST Integration (Medicaid), up to Medicaid allowable reimbursement rates. In addition, depending on the benefit, we may also be responsible for the management and payment of select Hawaii Medicaid benefits. Those Medicaid covered services will be reimbursed according to your existing Hawaii Medicaid contracted rates. This means UnitedHealthcare is crossing over and processing the eligible Medicaid-covered services according to the member's benefits. You will not be required to submit a secondary claim to the Medicaid payer in this situation. At times, you may receive 2 provider remittance advices (PRAs) for services covered by both Medicare and Medicaid.

Health care professionals may not attempt to collect additional reimbursement from D-SNP members whose QUEST Integration (Medicaid) benefits cover all Medicare cost-sharing components. These members are not responsible for Medicare cost sharing under CMS regulations. Medicare cost sharing includes the deductibles, coinsurance and copays included as part of Medicare Advantage benefit plans.

- Q. As a health care professional, do I need to be enrolled in QUEST Integration (Medicaid) to receive the remaining reimbursement?
- A. At a minimum, you are required to enroll or register with the state QUEST Integration (Medicaid) plan for Medicare secondary cost-share billing purposes. Depending on the service and covered benefit level, many D-SNP health care professionals will be required to submit a secondary claim to QUEST Integration (Medicaid). If there is a deductible, copayment or coinsurance, that amount is the responsibility of the QUEST Integration (Medicaid) payer to cover. This will depend on the member's QUEST Integration (Medicaid) eligibility levels. This may require registering for a care provider QUEST Integration (Medicaid) ID number for reimbursement. If you decide not to enroll or re-enroll with the state QUEST Integration (Medicaid) program, you'll give up your ability to seek the secondary payer reimbursement for a dually eligible member.
