A Medicare Advantage Plan offered by UnitedHealthcare Community Plan of New York

On Jan. 1, 2019, UnitedHealthcare will launch a Medicare Advantage plan in your area known as UnitedHealthcare Dual Complete (HMO SNP), a Dual Special Needs Plan (DSNP), for individuals who are eligible for both Medicaid and Medicare.

UnitedHealthcare Community Plan of New York will manage the Medicare Advantage benefits. While we will also manage Medicaid services, benefits and care provider reimbursement for some members, New York State Medicaid is responsible for Medicaid and Part C copayments, deductibles, and coinsurance.

Eligibility and Benefits

Q. Who is eligible to participate in UnitedHealthcare Dual Complete (HMO SNP)?

A. DSNP-eligible members can include low-income seniors ages 65 and older, and people with disabilities who are younger than age 65. Individuals must qualify for Medicaid and Medicare separately. While most qualify for Medicare once they reach 65, some younger adults with disabilities also qualify.

Key Points

UnitedHealthcare Dual Complete (HMO SNP) is a **Medicare Advantage** plan that is managed by UnitedHealthcare Community Plan of New York.

UnitedHealthcare is the primary payer for Medicare benefits. New York State Medicaid is the secondary payer for both Medicaid only covered services and Part C cost-sharing.

UnitedHealthcare Dual Complete (HMO SNP), a Dual Special Needs Plan (DSNP), will be expanding its service area in New York effective January 1, 2019.

The expanded service areas are Allegany, Cattaraugus, Cayuga, Chemung, Chenango, Clinton, Columbia, Cortland, Delaware, Essex, Genesee, Greene, Hamilton, Herkimer, Lewis, Livingston, Madison, Montgomery, Ontario, Orleans, Oswego, Putnam, Saratoga, Schenectady, Schoharie, Schuyler, Seneca, Steuben, Sullivan, Warren, Washington, Wayne, Wyoming and Yates.

Plan members may enroll, disenroll or switch plans once per calendar quarter during the first nine months of the year by following the Centers for Medicare & Medicaid Services (CMS) regulatory requirements.

*UnitedHealthcare Dual Advantage is a Medicaid Advantage plan in which members receive Medicaid Part C coverage through UnitedHealthcare in addition to their UnitedHealthcare Dual Complete benefits.

Q. What happens if a member loses their Medicaid eligibility?

A. If a member loses their Medicaid eligibility, they move into a “deemed” eligibility status for DSNP for six months. During this grace period, the member is responsible for the Medicare cost-sharing portion, which includes copayments, coinsurance, deductibles and premiums. If the member does not regain their Medicaid eligibility at the end of the six-month period, they are required to disenroll from the DSNP plan.

Q. What are the member advantages of the UnitedHealthcare Dual Complete (HMO SNP) plan?

A. UnitedHealthcare Dual Complete (HMO SNP) offers benefits and services that are not typically available through traditional Medicare or Medicaid. Members can continue to access their traditional Medicare benefits while their Medicaid benefits cover some out-of-pocket costs and benefits not covered by traditional Medicare, such as dental and vision.

This plan also covers some preventive services at no cost to our members and can help coordinate Medicaid benefits. Additional services and benefits may include:

Dental Coverage: \$2,000 toward dental services

Care Provider Reimbursement

Q. How will I be reimbursed for the UnitedHealthcare Dual Complete (HMO SNP) plan?

A. We will reimburse you according to your UnitedHealthcare Medicare Advantage network agreement.

There is no balance billing for DSNP members whose Medicaid benefits cover all Medicare-associated premiums, copayments, coinsurance and deductibles. After a claim has been settled and you receive the Explanation of Benefits (EOB) from both the primary payer, UnitedHealthcare Dual Complete (HMO SNP), and Medicaid, payment is considered paid in full.

Q. Is there cost sharing on UnitedHealthcare Dual Complete (HMO SNP)?

A. No. Once you receive our EOB, you can bill the Medicaid payer (the state agency or managed Medicaid plan) for the remaining balance. You should always verify benefits for both health insurance programs before you provide services.

Q. If the DSNP member has UnitedHealthcare Community Plan for both Medicaid and Medicare, will I have to submit the claim twice or will you coordinate the payment crossover?

A. If UnitedHealthcare Community Plan is managing both the member's Medicaid and Medicare services, you won't have to submit the claim twice. Our internal process will settle the secondary Medicaid claim once the Medicare claim is processed.

Q. Will this DSNP plan reimburse me for the additional 20% that is not covered by Medicare?

A. No. As a Medicare Advantage plan, UnitedHealthcare Dual Complete (HMO SNP) is responsible for the management and payment of the Medicare-covered services. This plan replaces the traditional services provided by Medicare.

To be reimbursed for any remaining balance after UnitedHealthcare Dual Complete (HMO SNP) reimburses you for the eligible Medicare services, you should submit reimbursement to New York State Medicaid. Your Medicaid ID number may be required to be reimbursed for services to Medicaid members in New York.

Q. As a care provider, do I need to be enrolled in Medicaid to receive the remaining reimbursement?

A. Yes. The Centers for Medicare & Medicaid Services (CMS) requires states to deny claims from care providers who are not enrolled in the state's Medicaid or Children's Health Insurance Program (CHIP). These claims can include services, prescriptions and orders for lab work and tests. If you do not have a New York State Medicaid identification number, you may request one at emedny.org/info/providerenrollment.

Q. Will I be reimbursed if I don't participate in the UnitedHealthcare Dual Complete (HMO SNP) plan?

A. No. Only care providers participating in the UnitedHealthcare Medicare Advantage network are considered participating for this DSNP plan and will be reimbursed. If you aren't sure about your current participation status for our Medicare plans, please contact your Network Account Manager.
