## **Piedmont Medicare Advantage 2020 Pharmacy Directory**

---

### **Introduction**

This booklet provides a list of our plans' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and *Piedmont Medicare Advantage's Formulary*.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Piedmont Community HealthCare. When it refers to “plan” or “our plan,” it means Piedmont Medicare Advantage.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **February 3, 2020**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Effective January 1, 2020, you can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with an asterisk (\*) to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this *Pharmacy Directory*.

We also list pharmacies that are in our network but are outside the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this *Pharmacy Directory* on Network Pharmacies Outside the Service Area.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Pharmacy listings are organized first by the type of pharmacy (e.g., Retail & Chain, Mail Order, Home Infusion, Long Term Care, Network Pharmacies Outside the Service Area), and then by the county or city where they are located.

All network pharmacies offer an extended day supply of medications.

Piedmont Medicare Advantage is a PPO plan with a Medicare contract. Enrollment in Piedmont Medicare Advantage depends on contract renewal. Out-of-network/non-contracted providers are under no obligation to treat Piedmont Medicare Advantage members, except in emergency situations. Please call our Customer Service number or see your *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services. Piedmont Medicare Advantage's pharmacy network includes limited lower-cost, preferred pharmacies in Amherst, Appomattox, Bedford\*, Campbell, Charlotte, Danville City, Halifax, Lynchburg City,

**Mail Order Pharmacies**

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 25 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling CVS Caremark Customer Care toll-free at 1-866-494-9927 (TTY users call 711), 24 hours a day, seven days a week.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us by calling CVS Caremark Customer Care toll-free at 1-866-494-9927 (TTY users call 711), 24 hours a day, seven days a week.
