- Nearly all UnitedHealthcare Individual Medicare Advantage plan members including DSNP will receive a UnitedHealthcare UCard™ (some plan exclusions may apply)
- UnitedHealthcare UCard makes it easier for members to access their benefits and programs so they can take advantage of their plan offerings
- UCard does not need to be activated for you to verify eligibility or provide care services or for members to receive medical, dental, prescription, vision and hearing care services
- Starting Jan. 1, 2023, impacted members will present their redesigned member card
- UCard will have the information you need to verify eligibility and should be used in the same manner as any other UnitedHealthcare member ID card
- UCard cannot be used for member out-of-pocket expenses, including copays, coinsurance or deductibles
- Each UCard will include an S3 number, security code and scannable barcode for in-store purchases – providers do not need to scan the barcode to provide medical, dental, prescription, vision or hearing services to the member
- For questions, members should visit their plan website or call the Customer Service number on their UCard
- For a description of the information displayed on the UCard, refer to **Chapter 2** of the [UnitedHealthcare Care Provider Administrative Guide](#)
