

Navigate Plan - Wisconsin

Overview

UnitedHealthcare Navigate is an innovative commercial member benefit plan built on patient-centered health. Members choose a primary care physician (PCP) to help coordinate their care. Plans vary in the type of coverage and benefits offered to encourage cost-effective choices.

Key Features

- Customized, more focused network of care providers
- Members are required to select a PCP to manage their health care needs
- The member's PCP must submit electronic referrals for members to see a network specialist physician
- Standard prior authorization and notification requirements apply

Benefits

Some plans feature tiered benefits that offer highest network benefits in the form of lower co-payments and co-insurance for UnitedHealth Premium[®] care providers and/or freestanding facilities for certain outpatient services.

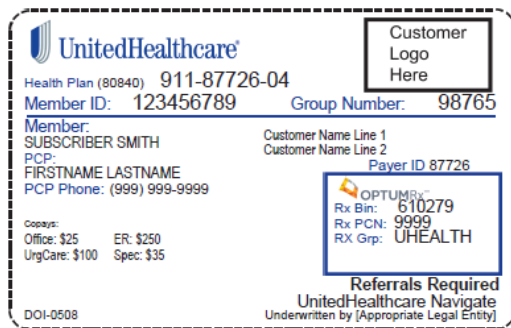

Plan models	Network physicians with required referral	Network physicians without required referral	Non-network care provider*
Navigate	Network benefits	No coverage*	No coverage*
Navigate Balanced	Network benefits	Lower-level benefits	No coverage*
Navigate Plus	Network benefits	Lower-level benefits	Non-network benefits

* Except for emergency services and related admissions

Sample ID Card

Look for key differences on the member's ID card to identify plan type and benefit features:

1. UnitedHealthcare or UnitedHealthOne logo
2. Plans with tiered benefits for UnitedHealth Premium® designated PCPs and specialists
3. Payer ID differs between UnitedHealthcare plans and UnitedHealthOne individual benefit plans
4. Member's designated PCP name and phone number
5. Lower copayments when members use UnitedHealth Premium designated PCPs and specialists
6. Type of Navigate plan and "Referrals Required" indicator
7. W500 logo identifying plans with additional network benefits that have access to an additional network of care providers that provide urgent care, emergency services and pre-approved services

Note: Sample health care ID cards are for illustration only
