

## Clinical Guidelines: Bipolar Disorder (Children and Adolescents)

### Description

This guideline outlines the assessment and treatment of children and adolescents with bipolar disorder. Clinical guidelines are not used within UnitedHealthcare to decide benefit coverage. Benefit coverage decisions are based upon language in the member specific benefit plan document.

### To Review Guideline

Name of Guideline	Source/Location
2007 Practice Parameter for the Assessment and Treatment of Children and Adolescents With Bipolar Disorder	American Academy of Child and Adolescent Psychiatry: <a href="http://www.jaacap.com/article/S0890-8567(09)61968-7/pdf">http://www.jaacap.com/article/S0890-8567(09)61968-7/pdf</a>
