

## Clinical Guidelines: Cardiovascular Disease--Prevention in Women

### Description

This guideline outlines the prevention and identification of risk factors for reduction of cardiovascular disease in women. Clinical guidelines are not used within UnitedHealthcare to decide benefit coverage. Benefit coverage decisions are based upon language in the member specific benefit plan document.

### To Review Guideline

Name of Guideline	Source/Location
Effectiveness-Based Guidelines for the Prevention of Cardiovascular Disease in Women—2011 Update: A Guideline from the American Heart Association	American Heart Association: <a href="http://circ.ahajournals.org/content/123/11/1243.full.pdf">http://circ.ahajournals.org/content/123/11/1243.full.pdf</a>
