Services Incident-to a Supervising Health Care Provider Policy, Professional – Exchange	August 1, 2021	<ul style="list-style-type: none"> Incident-to requirements, previously included within the Advanced Practice Health Care Provider Policy, Professional – Exchange, are now set forth in this stand-alone policy in order to add clarification to the Advanced Practice Health Care Provider Policy, Professional – Exchange. The policy will address the requirements and incident-to criteria for reporting services that are rendered incident-to the services of a Supervising Health Care Provider and reporting shared and split evaluation and management services.
Revised		
Policy Title	Effective Date	Summary of Changes
Advanced Practice Health Care Provider Policy, Professional – Exchange	August 1, 2021	<ul style="list-style-type: none"> Verbiage within the policy has been clarified and the “incident-to” section has been moved to a separate stand-alone policy (Services Incident-to a Supervising Health Care Provider Policy, Professional – Exchange”).

Note: The absence of a policy does not automatically indicate or imply coverage. As always, coverage for a health service must be determined in accordance with the member’s benefit plan and any applicable federal or state regulatory requirements.
