Code Updates		
Policy Title	Effective Date	Summary of Changes
		<ul style="list-style-type: none"> <li>Code updates could include, for example, CPT, HCPCS, ICD-10, Modifiers, Revenue Codes, or other industry standard code sets.</li> <li>UnitedHealthcare routinely updates its reimbursement policies in response to code updates made by, for example, Centers for Medicare and Medicaid Services (CMS), the American Medical Association (AMA), and the World Health Organization (WHO). This information is provided as a courtesy and may not include all code updates.</li> </ul>

Published reimbursement policies are intended to ensure reimbursement based on the code or codes that correctly describe the health care services provided. UnitedHealthcare reimbursement policies may use Current Procedural Terminology (CPT®\*), Centers for Medicare and Medicaid Services (CMS) or other coding guidelines. References to CPT or other sources are for definitional purposes only and do not imply any right to reimbursement.

Note: The absence of a policy does not automatically indicate or imply coverage. As always, coverage for a health service must be determined in accordance with the member’s benefit plan and any applicable federal or state regulatory requirements.
