

**Revenue Codes Requiring Procedure Code Policy, Facility**

**IMPORTANT NOTE ABOUT THIS REIMBURSEMENT POLICY**

You are responsible for submission of accurate claims. This reimbursement policy is intended to ensure that you are reimbursed based on the code or codes that correctly describe the health care services provided. UnitedHealthcare Community Plan reimbursement policies uses Current Procedural Terminology (CPT®), Centers for Medicare and Medicaid Services (CMS) or other coding guidelines. References to CPT or other sources are for definitional purposes only and do not imply any right to reimbursement. This reimbursement policy applies to all health care services billed on UB04 forms. Coding methodology, industry-standard reimbursement logic, regulatory requirements, benefits design and other factors are considered in developing reimbursement policy.

This information is intended to serve only as a general reference resource regarding UnitedHealthcare Community Plan's reimbursement policy for the services described and is not intended to address every aspect of a reimbursement situation. Accordingly, UnitedHealthcare Community Plan may use reasonable discretion in interpreting and applying this policy to health care services provided in a particular case. Further, the policy does not address all issues related to reimbursement for health care services provided to UnitedHealthcare Community Plan enrollees.

**Other factors affecting reimbursement supplement, modify or, in some cases, supersede this policy. These factors include, but are not limited to: federal &/or state regulatory requirements, the facility or other provider contracts, the enrollee's benefit coverage documents, and/or other reimbursement, medical or drug policies.**

Finally, this policy may not be implemented exactly the same way on the different electronic claims processing systems used by UnitedHealthcare Community Plan due to programming or other constraints; however, UnitedHealthcare Community Plan strives to minimize these variations.

UnitedHealthcare Community Plan may modify this reimbursement policy at any time by publishing a new version of the policy on this Website. However, the information presented in this policy is accurate and current as of the date of publication. CPT Copyright American Medical Association. All rights reserved. CPT® is a registered trademark of the American Medical Association.

**Application**

**This reimbursement policy applies to UnitedHealthcare Community Plan Medicaid products.**  
 This reimbursement policy applies to services reported using the UB-04 form or its electronic equivalent or its successor form. This policy applies to all products and all network and non-network facilities including, but not limited to, non-network authorized and percent of charge contract facilities.

**Policy**

**Overview**

This policy describes revenue codes that require procedure codes based on National Uniform Billing Committee (NUBC) guidelines.

**Reimbursement Guidelines**

Per NUBC, outpatient UB-04 claims must be billed with both a revenue code and a CPT or HCPCS code. A revenue code must be assigned for each line item. If multiple CPT or HCPCS are necessary to reflect multiple, distinct, or independent visits with the same revenue code, repeat the revenue code as required.

Absence of a CPT or HCPCS code for any revenue code not listed on this policy may affect claim payment or result in a claim denial.

Revenue codes exempt from this requirement are listed in the [Specific Lists Section](#)

This policy applies to all outpatient claims except for the following bill types:

- Skilled Nursing (23X)
- Home Health (33X)
- Religious Non Medical Healthcare (43X)
- Rural Health Care Clinic (71X)

- Hospital based Clinic (72X)
- Free standing Clinic (73X)
- Federally Qualified Health Center Clinic (77X)
- Hospice (81X, 82X)
- Critical Access Hospital (85X)

**State Exceptions**

<b>Florida</b>	Florida Medicaid has a custom list of revenue codes that require a procedure code
