**Policy**

**Overview**

This policy describes revenue codes that require procedure codes based on National Uniform Billing Committee (NUBC) guidelines.

**Reimbursement Guidelines**

Per NUBC, outpatient UB-04 claims must be billed with both a revenue code and a CPT or Healthcare Common Procedure Coding System (HCPCS) code. A revenue code must be assigned for each line item. If multiple CPT or HCPCS are necessary to reflect multiple, distinct, or independent visits with the same revenue code, repeat the revenue code as required.

Absence of a CPT or HCPCS code for any revenue code not listed on this policy may affect claim payment or result in a claim denial.

Revenue codes exempt from this requirement are listed in the [Attachments Section](#)

This policy applies to all outpatient claims except for the following bill types:

- Skilled Nursing (23X)
- Home Health (33X)
- Religious Non-Medical Healthcare (43X)
