Application

This Coverage Determination Guideline only applies to the state of Ohio.

Coverage Rationale

Indications for Coverage

- Skilled Care in the member’s [Place of Residence](#). Skilled Care includes:
 - Skilled nursing
 - Skilled teaching
 - Skilled rehabilitation (physical therapy, occupational therapy and speech therapy)
- For Skilled Care to be covered in the member’s Place of Residence, the following criteria must be met:
 - A plan of care must be established and periodically reviewed and updated by the treating practitioner or specialist
 - Be ordered and directed by a licensed practitioner or specialist (M.D., D.O., P.A. or N.P)
 - It must not be [Custodial Care](#)
 - The care must be delivered or supervised by a licensed nurse, technical or professional medical personnel in order to obtain a specified medical outcome
 - The care requires clinical training in order to be delivered safely and effectively
 - The member’s condition must be documented to be such that they cannot receive the Skilled Care in a setting other than the member’s Place of Residence

Coverage Limitations and Exclusions

- A service is not Skilled Care simply because there is not an available caregiver
- Home Health Services beyond benefit limits (e.g., visits)
- Homemaker services unrelated to member's care or home meal delivery services (e.g., Meals-on-Wheels) or transportation services (e.g., Dial-a-Ride)
- Private Duty Nursing (check member’s state specific contractual documents)
- Services provided:
 - By personal care attendants, family members or nonprofessional caregivers
 - As part of another benefit
- Skilled Care does not include Custodial Care, including but not limited to: domiciliary care, respite care, or rest cures

Definitions

Check the definitions within the member benefit plan document that supersede the definitions below.

Custodial Care: Services that are any of the following non-Skilled Care services:

- Non-health-related services, such as help with daily living activities. Examples include eating, dressing, bathing, transferring and ambulating.
- Health-related services that can safely and effectively be performed by trained non-medical personnel and are provided for the primary purpose of meeting the personal needs of the patient or maintaining a level of function as opposed to improving that function to an extent that might allow for a more independent existence.

Place of Residence: Wherever the member makes his/her home. This may include his/her dwelling, an apartment, a relative's home, home for the aged, or a Custodial Care facility.

Skilled Care: Skilled nursing, skilled teaching, skilled habilitation, and skilled rehabilitation services when all of the following are true:

- Must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient
- Ordered by a Physician
- Not delivered for the purpose of helping with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair
- Requires clinical training in order to be delivered safely and effectively
- Not Custodial Care, which can safely and effectively be performed by trained non-medical personnel

Applicable Codes

The following list(s) of procedure and/or diagnosis codes is provided for reference purposes only and may not be all inclusive. Listing of a code in this policy does not imply that the service described by the code is a covered or non-covered health service. Benefit coverage for health services is determined by federal, state, or contractual requirements and applicable laws that may require coverage for a specific service. The inclusion of a code does not imply any right to reimbursement or guarantee claim payment. Other Policies and Guidelines may apply.
