Required Clinical Information
Surgery of the Hand or Wist

Surgery of the Hand or Wrist

- Erythrocyte sedimentation rate (ESR)
- C-reactive protein (CRP)

- Condition requiring procedure
- Severity of pain and details of functional disability(ies) interfering with activities of daily living (preparing meals, dressing, driving, walking)
- Pertinent physical examination of the relevant joint
- Co-morbid medical condition(s)
- Prior therapies/ treatments tried, failed, or contraindicated; include the dates and reason for discontinuation
- Date of previous failed surgery to the same joint, if applicable
- Physician's treatment plan including pre-op discussion
- For revision surgery, also include:
  - Details of complication
  - Complete (staged) surgical plan
- If the location is being requested as an inpatient stay, provide medical notes to support the following, when applicable:
  - Surgery is bilateral
  - Member has significant co-morbidities; include the list of comorbidities and current treatment
  - Member does not have appropriate resources to support postoperative care after an outpatient procedure; include the barriers to care as an outpatient

Applicable Codes

The following list(s) of procedure and/or diagnosis codes is provided for reference purposes only and may not be all inclusive. Listing of a code in this guideline does not imply that the service described by the code is a covered or non-covered health service. Benefit coverage for health services is determined by the member specific benefit plan document and applicable laws that may require coverage for a specific service. The inclusion of a code does not imply any right to reimbursement or guarantee claim payment. Other Policies and Guidelines may apply.

CPT Code	Description
Joint Replacement, Wrist	
25332	Arthroplasty, wrist, with or without interposition, with or without external or internal fixation
25441	Arthroplasty with prosthetic replacement; distal radius
25442	Arthroplasty with prosthetic replacement; distal ulna
25443	Arthroplasty with prosthetic replacement; scaphoid carpal (navicular)
25444	Arthroplasty with prosthetic replacement; lunate
25445	Arthroplasty with prosthetic replacement; trapezium
25446	Arthroplasty with prosthetic replacement; distal radius and partial or entire carpus (total wrist)
25447	Arthroplasty, interposition, intercarpal or carpometacarpal joints
25449	Revision of arthroplasty, including removal of implant, wrist joint
Arthroplasty, Carpometacarpal (CMC) Joint, Thumb	
25447	Arthroplasty, interposition, intercarpal or carpometacarpal joints
26530	Arthroplasty, metacarpophalangeal joint; each joint
26531	Arthroplasty, metacarpophalangeal joint; with prosthetic implant, each joint
Arthroscopy, Diagnostic, +/- Synovial Biopsy, Wrist	
29840	Arthroscopy, wrist, diagnostic, with or without synovial biopsy (separate procedure)
Arthroscopy or Arthroscopically Assisted Surgery, Wrist	
25280	Lengthening or shortening of flexor or extensor tendon, forearm and/or wrist, single, each tendon
29843	Arthroscopy, wrist, surgical; for infection, lavage and drainage

Instructions for Use

This Medical Management Guideline provides assistance in interpreting UnitedHealthcare standard benefit plans. When deciding coverage, the member specific benefit plan document must be referenced as the terms of the member specific benefit plan may differ from the standard plan. In the event of a conflict, the member specific benefit plan document governs. Before using this guideline, please check the member specific benefit plan document and any applicable federal or state mandates. UnitedHealthcare reserves the right to modify its Policies and Guidelines as necessary. This Medical Management Guideline is provided for informational purposes. It does not constitute medical advice.

UnitedHealthcare may also use tools developed by third parties, such as the InterQual® criteria, to assist us in administering health benefits. UnitedHealthcare West Medical Management Guidelines are intended to be used in connection with the independent professional medical judgment of a qualified health care provider and do not constitute the practice of medicine or medical advice.

Member benefit coverage and limitations may vary based on the member's benefit plan Health Plan coverage provided by or through UnitedHealthcare of California, UnitedHealthcare Benefits Plan of California, UnitedHealthcare of Oklahoma, Inc., UnitedHealthcare of Oregon, Inc., UnitedHealthcare Benefits of Texas, Inc., or UnitedHealthcare of Washington, Inc.
