

Prior Authorization and Notification

An Easier Way to Manage

Prior Authorization and Notification Requests

Use the **Prior Authorization and Notification** app on Link to check requirements, submit requests, upload medical notes, check status and update cases — without faxing or calling!

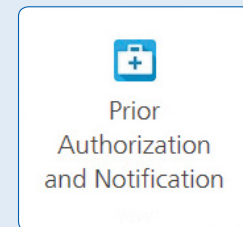

With the Prior Authorization and Notification app, you can:

- ✓ See if prior authorization or notification is required for UnitedHealthcare Commercial, UnitedHealthcare Medicare Advantage, UnitedHealthcare Community Plan and UnitedHealthOne members
- ✓ Complete most requests within the app when notification or prior authorization is required
- ✓ Find out which procedures require additional information and what to include
- ✓ Upload any required medical notes or other attachments, and add messages about them for the reviewer
- ✓ Check the status of all your notification and prior authorization requests and submit updates
