Prior Authorization and Notification Requirement Inquiry – by Product Type

QUICK REFERENCE

You may check to see if a Prior Authorization/Notification is required through the Prior Authorization and Notification tool.

Note: This tool is not used for referrals. Referrals should be submitted separately.

Get Started

1. From UHCprovider.com, select Sign In To Link

2. Enter your User ID and Password and sign in

3. Select Prior Authorization and Notification

Check if a Prior Authorization is Required

1. Select Check if Prior Authorization is required using Product Type, State and Procedure Code

Note: The Provider Information will default to the last chosen, but you may change the provider by clicking Select a Different Provider.

4. The first time you access this self-service tool, you must select the Care Provider you represent from the pull-down menus then click Continue.
Complete the Form

Choose the **Product Type** from the pull-down menu.

Choose the **State** from the pull-down menu.

Enter at least the first 3 characters of a **Procedure Code** and select from the drop-down menu.

Once complete, select **Continue**.
