Program Number	2025 P 4009-9
Program	Prior Authorization – Health Care Reform Tobacco Cessation – New Jersey Fully Insured
Medication	Nicotrol Inhaler [®] (nicotine inhalation system), and Nicotrol NS [®] (nicotine nasal spray)
P&T Approval Date	2/2018, 9/2018, 5/2019, 5/2020, 8/2021, 9/2022, 11/2023, 3/2025, 9/2025
Effective Date	11/1/2025

1. Background:

Tobacco cessation therapies are more likely to be successful for patients who are motivated to stop tobacco use and who are provided additional advice and support. Patients should be provided with appropriate educational materials and counseling to support the quit attempt. The patient should set a quit date.

This program is designed to meet Health Care Reform requirements and New Jersey state mandates for tobacco cessation coverage at zero dollar cost share. New Jersey prohibits utilization management for the first 180 days per plan year. Once a member has received coverage for 180 days of tobacco cessation therapy per plan year, including any combination of products, coverage of continued therapy will be required to meet the below coverage criteria.

2. Coverage Criteria for Continuation of Tobacco Cessation Therapy:**A. Nicotrol NS or Nicotrol Inhaler**

1. **Nicotrol NS or Nicotrol Inhaler** will be approved based on **all** of the following criteria:

a. Patient is 18 years of age or older

-AND-

b. Treatment is being requested for tobacco cessation

-AND-

c. History of failure, contraindication, or intolerance to **one** of the following:

(1) Nicotine replacement patches OTC (e.g., Nicoderm CQ-OTC)

(2) Nicotine gum OTC (e.g., Nicorette gum- OTC)

(3) Nicotine lozenge or mini-lozenge OTC (e.g., Nicorette lozenge-OTC)

-AND-

d. History of failure, contraindication, or intolerance to bupropion

Authorization will be issued for zero copay with deductible bypass for 3 months.

3. Additional Clinical Rules:

- Notwithstanding Coverage Criteria, UnitedHealthcare may approve initial and re-authorization based solely on previous claim/medication history, diagnosis codes (ICD-10) and/or claim logic. Use of automated approval and re-approval processes varies by program and/or therapeutic class.
- Supply limits may be in place.
