

UnitedHealthcare Medicare Advantage/ Peoples Health prior authorization requirements

May 1, 2024

General information

This list contains prior authorization requirements for participating UnitedHealthcare Medicare Advantage health care professionals providing inpatient and outpatient services. This includes UnitedHealthcare Dual Complete[®] and other plans listed in the included plans section of this document. Health plans not included in the requirements are listed in the excluded plans section. Please submit your prior authorization requests in 1 of the following ways:

- **Online:** Use the Prior Authorization and Notification tool on UnitedHealthcare Provider Portal. To get started, go to UHCprovider.com and click Sign In in the top-right corner to log in using your One Healthcare ID and password. Then, select the Prior Authorization and Notification tab on your dashboard. If you don't have a One Healthcare ID, visit UHCprovider.com/access.
- **Phone:** Call **877-842-3210**

Prior authorization is not required for emergency or urgent care.

Note: If you are a network health care professional who is contracted directly with a delegated medical group/Independent Practice Association (IPA), then you must follow the delegate's protocols. Delegates may use their own systems and forms. They must meet the same regulatory and accreditation requirements as UnitedHealthcare.

Plans with referral requirements: If a member's health plan ID card says, **Referral Required**, certain services may require a referral from the member's primary care provider. Prior authorization must also be obtained from the treating physician. See the [2024 UnitedHealthcare Care Provider Administrative Guide](#) for more information. The following table includes plans requiring prior authorization for network services.

Plans included

Medicare plans subject to the [UnitedHealthcare West Non-Capitated Supplement](#)

Medicare Advantage HMO, HMO-POS, PPO and Regional PPO plans, including AARP[®] Medicare Advantage, UnitedHealthcare The Villages Medicare Advantage, UnitedHealthcare Medicare Advantage plans for both individual and employer group members, Peoples Health

UnitedHealthcare Dual Eligible Special Needs Plans (D-SNP) and Medicare Advantage benefit plans offered by UnitedHealthcare Community Plan are subject to an additional manual, as further described in the benefit plan section of the [2024 UnitedHealthcare Care Provider Administrative Guide](#). As explained in the benefit plan section, some UnitedHealthcare D-SNP and Medicare Advantage benefit plans offered by UnitedHealthcare Community Plan are not subject to an additional manual and are therefore subject to the administrative guide.

In some instances, we have delegated prior authorization services to a care provider group. In these cases, the For Providers section on the back of the member's ID card will list the delegated group managing the prior authorization process. These following plans are included.
