UnitedHealthcare Medicare Advantage Prior Authorization Requirements

October 1, 2022

General Information

This list contains prior authorization requirements for care providers who participate with UnitedHealthcare Medicare Advantage for inpatient and outpatient services. This includes UnitedHealthcare Dual Complete and other plans listed in the following "Included Plans" section. Health plans excluded from the requirements are listed in the "Excluded Plans" section on Page 2.

To request prior authorization, please submit your request online or by phone:

- **Online:** Use the Prior Authorization and Notification tool on UnitedHealthcare Provider Portal. Go to <u>UHCprovider.com</u> and click on the UnitedHealthcare Provider Portal button in the top right corner. Then, select the Prior Authorization and Notification tool on your Provider Portal dashboard.
- Phone: 877-842-3210

Prior authorization is not required for emergency or urgent care.

Note: If you are a network provider who is contracted directly with a delegated medical group/IPA, then you must follow the delegate's protocols. Delegates may use their own systems and forms. They must meet the same regulatory and accreditation requirements as UnitedHealthcare.

Plans with referral requirements: If a member's health plan ID card says "Referral Required," certain services may require a referral from the member's primary care provider <u>and</u> prior authorization obtained by the treating physician. You can find more information about the referral process in the 2021 UnitedHealthcare Care Provider Administrative Guide at **UHCprovider.com/guides**.

The following listed plans require prior authorization for in-network services: Included Plans

UnitedHealthcare Dual Eligible Special Needs Plans (D-SNP) and Medicare Advantage benefit plans offered by UnitedHealthcare Community Plan subject to an additional manual, as further described in the benefit plan section of the 2022 UnitedHealthcare Care Provider Administrative Guide at **UHCprovider.com/guides**. As explained in the benefit plan section, some UnitedHealthcare Dual Eligible Special Needs Plans (D-SNP) and Medicare Advantage benefit plans offered by UnitedHealthcare Community Plan are not subject to an additional manual and are therefore subject to the Administrative Guide.

In some instances, we have delegated prior authorization services to a provider group. In these cases, the "For Providers" section on the back of the member's ID card will list the delegated group managing the prior authorization process. Delegated plans include:

disease/dialysis services Plan exclusions:

None

Services for the treatment of endstage renal disease (ESRD) require advance notification – includes

outpatient dialysis services

Advance notification is required if a plan member is referred to an out-ofnetwork provider for dialysis services. The purpose of steering to an in-network dialysis center is to avoid high costshares for plan members, even when they may have out-of-network benefits.

Advance notification/prior authorization isn't required for ESRD when a UnitedHealthcare Medicare Advantage plan member travels outside of the service area.

Note: Your agreement with us may include restrictions on referring plan members outside of the UnitedHealthcare network.

To enroll or refer a UnitedHealthcare Medicare Advantage plan member to the Optum Kidney Resource Service, please call 866-561-7518.
