Prior authorization requirements for Preferred Care Network and Preferred Care Partners of Florida

Effective September 1, 2023

General information

This list contains prior authorization requirements for Preferred Care Network and Preferred Care Partners of Florida participating care providers for inpatient and outpatient services.

To request prior authorization, please submit your request online or by phone:

- Online: Use the Prior Authorization and Notification tool on UnitedHealthcare Provider Portal. Go to UHCprovider.com and click on the UnitedHealthcare Provider Portal button in the top right corner. Then, select the Prior Authorization and Notification tile on your Provider Portal dashboard.
- Phone:
 - Preferred Care Network: Call 866-273-9444.
 - Preferred Care Partners: Call 800-995-0480.

Prior authorization is not required for emergency or urgent care.

Plans with referral requirements: If a member's health plan ID card says, "Referral Required," certain services may require a referral from the member's primary care provider **and** prior authorization obtained by the treating physician. You can find more information about the referral process in the 2023 UnitedHealthcare Administrative Guide for commercial and Medicare Advantage plans including UnitedHealthcare West fee-for-service at **UHCprovider.com** > Menu > Administrative Guides.

Out-of-network services

A recommendation from a network physician or health care provider to a hospital, physician or other health care provider who isn't contracted with Preferred Care Network and/or Preferred Care Partners.

Note: Your agreement with Preferred Care Network or Preferred Care Partners may include restrictions on directing members outside of the network. Your patients who use non-network physicians, health care professionals or facilities may have increased out-of-pocket expenses or no coverage. Advance notification is

required for Preferred Care **Network and Preferred Care** Partners members when:

A network physician or health care professional directs a member to an out-of-network facility, physician or other health care provider and the member's benefit plan doesn't include benefits for out-of-network services. Or, you want to request innetwork cost sharing or a benefit level because there

are no available in-network care providers for

type of specialty services

needed.
