General information

Please submit prior authorization requests using the following UnitedHealthcare Provider Portal instructions:

- **Online:** Use the Prior Authorization and Notification tool on the UnitedHealthcare Provider Portal. To get started, go to UHCprovider.com and click Sign In at the top-right corner to log in using your One Healthcare ID and password. Then, select the Prior Authorization and Notification tab on your dashboard. If you don't have a One Healthcare ID, visit UHCprovider.com/access.

When deciding coverage, the member-specific benefit plan document must be referenced. The terms of member specific benefit plans vary by state. Site of service review may apply to certain codes on this list. Prior authorization is not required for emergency or urgent care.

For these benefit plans, members have no non-emergent out-of-network coverage and no coverage outside of the service area.
