

Get Real-Time

Prescription Costs and Coverage Detail

PreCheck MyScript is now available on Link – your gateway to UnitedHealthcare’s online tools. This new app helps make it easy to run a pharmacy trial claim and get real-time prescription coverage detail for your patients who are UnitedHealthcare benefit plan members. And, if a medication requires prior authorization, you can request it right within the app. No need to call or fax your request – you can do it all online!

With PreCheck MyScript, you can:

- ✓ Check prescription coverage and price for UnitedHealthcare members in real time
- ✓ Get information on lower-cost prescription alternatives, if available, to help save members money
- ✓ See which prescriptions currently require prior authorization, or are non-covered or non-preferred
- ✓ Request prior authorization and receive status and results
